History of Stephen Perse

The Perse Girls School, founded in 1818, evolved into the Stephen Perse Foundation in 2007, and first admitted boys to its Senior School in 2017. Stephen Perse has grown over recent years, adding a co-educational sixth form to its highly successful Senior School in 2008, and four nurseries and early years settings (three in Cambridge and one at Dame Bradbury's in Saffron Walden) between 2010 and 2021. Stephen Perse has been fully co-educational in all settings since 2017 and now comprises four nurseries, two junior schools, a senior school and sixth form.

Predominantly a day school, there are currently 60 (mainly sixth form) boarders. As well as its reputation for academic excellence, Stephen Perse is renowned for an innovative approach to education, and a focus on preparing students for the future.
