History of Stephen Perse

The Perse Girls School, founded in 1881, evolved into the Stephen Perse Foundation in 2007, and first admitted boys to its Senior School in 2017. Stephen Perse has grown over recent years, adding a co-educational sixth form to its highly successful Senior School in 2008, and four nurseries and early years settings (three in Cambridge and one at Dame Bradbury's in Saffron Walden) between 2010 and 2021. Stephen Perse has been fully co-educational in all settings since 2017 and now comprises four nurseries, two junior schools, a senior school and sixth form.

Predominantly a day school, there are currently 60 (mainly sixth form) boarders. As well as its reputation for academic excellence, Stephen Perse is renowned for an innovative approach to education, and a focus on preparing students for the future.

Richard Girvan

Principal

Teacher of Economics & Business Studies (from September 2025) Responsible to: Head of Economics & Business Studies

Location: Stephen Perse Cambridge Senior School & Sixth Form

Role Description

We are looking to appoint an outstanding, inspirational and committed teacher to join our Business and Economics Department. The successful candidate will have excellent Business and/or Economics subject knowledge and be able to teach A Level across a wide range of abilities. There will be a real enthusiasm for both subjects, as well as a desire to continue learning and developing as a teacher. CPD is a core focus at Stephen Perse: within the Department we enjoy learning from each other, and we would hope that the successful candidate would be enthusiastic about joining in with this process.

Your Role as a Teacher

At the Stephen Perse Foundation everyone is a learner. While our pupils enjoy the benefits of a creative and innovative learning environment, our teachers strive to inspire and engage through using a wide range of pedagogical approaches.

We want every teacher to offer the very best in teaching and learning to our students and this will inevitably, and

perhaps even increasingly, involve the digital world.

We are iPad 1-to-1 from 11 to 18 and our Junior Schools use class sets. We are a leader in the use of digital technology within the classroom and are one of only 11 schools in the UK to be an Apple Distinguished Schools. This helps us to support our teachers and learners to have an appropriate use of these technologies.

We don't need you to be a fluent or confident user of technology before you start working with us, but we will want you to have an agile and ambitious mindset that is open to adopting new techniques. Training and support are offered on a regular basis as part of formal and informal CPD and is focused on student learning.

The Economics and Business Department

The economics and business department follows the AQA syllabus for both business and economics A levels. We are committed to creating opportunities for learning beyond the curriculum, and

recent initiatives have included local lecture and seminar days, essay competitions, the Wharton Penn International Investor Game, the IEA Budget Challenge, Young Enterprise as well as a strong visiting speaker program which is student led through The Economics Society. It is a thriving and successful department with a strong academic reputation. It consistently achieves outstanding results at A Level and regularly sends students to Oxford, Cambridge and the LSE. Both subjects are popular and numbers range from 6 to 14 students per class.

The Department is a happy place: we all enjoy our jobs, and we value the opportunity to work with each other in order to help each other progress in our understanding of both the subjects we teach and the way in which we teach them. There is a supportive atmosphere within the department, and decisions about best practice are made collaboratively. Our ethos is that we need to focus on the academic and personal growth of our pupils, and we enjoy

thinking creatively about how best we can use our subjects to help foster this.

The Department is housed in the Stephen Perse Sixth Form and plays an important role in its academic life. There is a wide range of resources comprising electronic, audio-visual and printed materials and a well-stocked Economics section in the Sixth Form Library.
